

2/27

Jason

Am I blocked?	No
What did I do yesterday?	Ended the Sprint early. Worked on web API homework.
What am I doing today?	Send Email to Vong about client demo, Revise Product Backlog, Review UA - 1 on BRD, and Planning ERD diagram/ UA - 1 Design

Gio

Am I blocked?	No
What did I do yesterday?	Sprint meeting
What am I doing today?	Nothing have other classes whole day

Vi

Am I blocked?	No
What did I do yesterday?	Sprint meeting
What am I doing today?	Nothing

Jesus

Am I blocked?	No
What did I do yesterday?	Ended Sprint Early
What am I doing today?	Sprint planning, beginning new design for token based auth

Rainier

Am I blocked?	No
What did I do yesterday?	Ended sprint early.
What am I doing today?	Nothing, planned day off

2/28

Jason

Am I blocked?	No
What did I do yesterday?	Sent email to Vong and received email back, product backlog revised, and began on ERD diagram.
What am I doing today?	Continue on developing ERD diagrams for UA, and the rest of the current App. Start and finish design for success case. Schedule client demo with Frank.

Gio

Am I blocked?	No
What did I do yesterday?	nothing
What am I doing today?	Starting on LLD for Donate your car

Vi

Am I blocked?	No
What did I do yesterday?	Nothing
What am I doing today?	DAR report analyzing metrics for Vehicle Profile

Jesus

Am I blocked?	No
What did I do yesterday?	Began new design for token based auth
What am I doing today?	Am currently working on the new authorization document

Rainier

Am I blocked?	No
What did I do yesterday?	Nothing, planned day off
What am I doing today?	Finishing up all LLDs and starting implementation

2/29

Jason

Am I blocked?	No
What did I do yesterday?	Got clarification on what to expect for the client demo. UA - 1 Design and ERD diagram additions.
What am I doing today?	Finish success and fail cases. Setup new DB, and testing service → to DB. Manager and controller implementation.

Gio

Am I blocked?	No
What did I do yesterday?	LLD for DYC-1
What am I doing today?	Continue with LLD DYC-1

Vi

Am I blocked?	No
What did I do yesterday?	DAR report analyzing metrics for Vehicle Profile
What am I doing today?	Fixing Pepper bug, researching metrics

Jesus

Am I blocked?	No
What did I do yesterday?	Worked on token based auth design document
What am I doing today?	Expanding design document to include middleware for handling CORS

Rainier

Am I blocked?	No
What did I do yesterday?	Finished LLD for VP 4 and 5
What am I doing today?	Working on LLDs for VP 1-5

3/1

Jason

Am I blocked?	No
What did I do yesterday?	Correct DataAccess and Logging Library for local machine. Worked on design for UA - 1
What am I doing today?	Day off but will continue working on design if i have time. Fix UserAccountModel and UserProfile model to reflect BRD attributes

Gio

Am I blocked?	No
What did I do yesterday?	DYC-1 LLD
What am I doing today?	Try to complete LLD

Vi

Am I blocked?	No
What did I do yesterday?	Fixing Pepper bug, researching metrics
What am I doing today?	Change Pepper writing and reading algorithm, researching DAR metrics

Jesus

Am I blocked?	No
What did I do yesterday?	I continued work planning out my LLD for handling CORS
What am I doing today?	Am going to continue working on LLD for all Security functionalities

Rainier

Am I blocked?	No
What did I do yesterday?	Finished LLDs for VP -1, -3, -4, and -5. Realized VP-2 was done incorrectly and will redo it today.
What am I doing today?	Finishing up LLDs for VP - 2

3/2

Jason

Am I blocked?	No
What did I do yesterday?	Wasn't able to work. Day off
What am I doing today?	Review Design and begin testing. Move to implementation if finished.

Gio

Am I blocked?	No
What did I do yesterday?	Completed LLD DYC-1
What am I doing today?	Moving on to LLD of DYC-2

Vi

Am I blocked?	No
What did I do yesterday?	Fixing Pepper bug
What am I doing today?	Updating Pepper and test cases

Jesus

Am I blocked?	No
What did I do yesterday?	I was unable to put the time in to continue work
What am I doing today?	I am going to finish the LLD for all authorization functionalities, and potentially start working on coding, for handling coors requests

Rainier

Am I blocked?	No
What did I do yesterday?	Did the success case for VP-2
What am I doing today?	Nothing, It is my scheduled day off, but will most likely finish up the last fail case of VP-2

3/3

Jason

Am I blocked?	No
What did I do yesterday?	Review Design and begin testing. Moved to implementation.
What am I doing today?	Continue implementation and work on testing.

Gio

Am I blocked?	No
What did I do yesterday?	DYC-2 LLD
What am I doing today?	Rest Day but will try to do some LLD

Vi

Am I blocked?	No
What did I do yesterday?	Pepper fixing and updating
What am I doing today?	Testing metrics

Jesus

Am I blocked?	No
What did I do yesterday?	I was unable to finish the LLD, but I made substantial progress with restructuring the lower layers, and did substantial research on JWT implementation
What am I doing today?	Skipping to research on implementing CORS, and how to resolve it without the built in ASP.NET Core `useCors` implementation

Rainier

Am I blocked?	Yes, to some extent. I cannot work on implementation of Vehicle Profile until the peer review is finished
What did I do yesterday?	Finished up VP-2 LLD
What am I doing today?	Now working on burndown chart item for Team Review

3/4

Jason

Am I blocked?	No
What did I do yesterday?	Worked on implementation and finished testing for manager and services layer.
What am I doing today?	Ensure controller and on is working correctly. Create front - end and enable CORs. CORs Homework.

Gio

Am I blocked?	No
What did I do yesterday?	Nothing
What am I doing today?	Vong's Hw

Vi

Am I blocked?	No
What did I do yesterday?	Testing metrics
What am I doing today?	Clarified with Vong with Dar

Jesus

Am I blocked?	No
What did I do yesterday?	Did significant research on how to implement CORS handling into an ASP.NET Core web app. This is for both the application and the Homework
What am I doing today?	Implementing the CORS handling middleware into a test application, then continuing work into design for JSON web token web handling

Rainier

Am I blocked?	Yes. I need the peer review to be finished in order to start implementation
What did I do yesterday?	Sprint % Error Completeness Chart

Sprint 13 Daily Standup 2/27 - 3/4

What am I doing today?	Homework
------------------------	----------
