

Name

- Am I blocked?
- What did I do yesterday?
- What am I doing today?

11/2

Jason

- Am I blocked? No
- What did I do yesterday? Finished revision of all features
- What am I doing today? Send Final draft of BRD to Vong and wait for response. Backlog Refinement and Sprint Planning 3

Gio

- Am I blocked? No
- What did I do yesterday? Finished BRD features
- What am I doing today? Do last minute checks on the BRD to send to

Jesus

- Am I blocked?
 - No
- What did I do yesterday?
 - Finishing BRD Items
- What am I doing today?
 - We are attempting to complete a final draft of the BRD for Vong, and awaiting feedback

Vi

- Am I blocked? No
- What did I do yesterday? Finished BRD revisions
- What am I doing today? Revising BRD logging for pass and fail requirements

Rainier

- Am I blocked?
 - No
- What did I do yesterday?
 - Doing BRD revisions
- What am I doing today?
 - Finishing up some BRD revisions and submitting the BRD to Vong.

11/3

Jason

- Am I blocked? No
- What did I do yesterday? Send final draft of BRD to Vong + Spring Planning 3
- What am I doing today? High Level design Research + implementation

Jesus

- Am I blocked?
 - No
- What did I do yesterday?
 - Have finished revising BRD features with current feedback, with the exception of scrap your car (Was revised by teammate), and took on fleet management from Rainier
- What am I doing today?
 - Beginning potential iteration for Data Access and logging library

Vi

- Am I blocked? No
- What did I do yesterday? Revising BRD logging for pass and fail requirements
- What am I doing today? Made the diagram for high level design

Rainier

- Am I blocked?
 - Yes for coding the logging library and BRD revisions, but no for everything else.
- What did I do yesterday?
 - Submitted a final draft to Vong
- What am I doing today?
 - Thinking about some portions for the logging library and test cases for the Data Access Library.

Gio

- Am I blocked? No
- What did I do yesterday? Finished BRD features and did last minute checks
- What am I doing today? Created the project Planning document and listing risks

11/4

Jason

- Am I blocked? No
- What did I do yesterday? High Level Design Research
- What am I doing today? Create table for High Level Design and submit draft to TA

Vi

- Am I blocked? No
- What did I do yesterday? Made the diagram for high level design
- What am I doing today? Revising other features in BRD

Rainier

- Am I blocked?
 - Yes for coding the logging library, but no for everything else
- What did I do yesterday?
 - Drafted a test case for the Data Access Library.
- What am I doing today?
 - Unexpected work outside the scope of the project came up

Gio

- Am I blocked? No
- What did I do yesterday? Wrote the risks table for Project Planning
- What am I doing today? Got feedback on BRD working on making changes

Jesus

- Am I blocked?
 - No
- What did I do yesterday?
 - Researched potential design for logging library and data access library
- What am I doing today?
 - Will be creating working drafts to present to Vong, for both

11/5

Jason

- Am I blocked? No
- What did I do yesterday? Research for High Level Design
- What am I doing today? Revised BRD for feedback and final draft submission

Vi

- Am I blocked? No
- What did I do yesterday? Revising other features in BRD
- What am I doing today? Revising final draft BRD

Rainier

- Am I blocked?
 - Yes for coding the logging library, but no for everything else
- What did I do yesterday?
 - Unfortunately nothing
- What am I doing today?
 - Revising the final draft of the BRD and submitting to Vong

Gio

- Am I blocked? No
- What did I do yesterday? Fixed BRD based on feedback
- What am I doing today? Keep fixing BRD with the feedback we kept getting and sending it to Vong

Jesus

- Am I blocked?
 - No
- What did I do yesterday?
 - Created method signatures for Low Level Coding assignments to present to Vong
- What am I doing today?
 - Scheduled day off

11/6

Jesus

- Am I blocked?
 - No
- What did I do yesterday?
 - Scheduled day off, but previous to that I made method signatures for a potential example
- What am I doing today?
 - Presenting Method signatures to Professor Vong

Jason

- Am I blocked?
 - No
- What did I do yesterday?
 - BRD final submission and completion.
- What am I doing today?
 - Focus on High Level Design Diagram and create draft of document

Rainier

- Am I blocked?
 - Yes for coding the logging library, but no for everything else
- What did I do yesterday?
 - Revised the final draft of the BRD and got it approved by Vong
- What am I doing today?
 - Planning on implementation for the logging and data access library

Gio

- Am I blocked? No
- What did I do yesterday? Fixed BRD based on feedback and submitted it to Vong
- What am I doing today? Focus on project planning and researching how to make the timeline for scrum meetings

Vi

- Am I blocked? No
- What did I do yesterday? Revising final draft BRD
- What am I doing today? Layer Diagram

11/7

Jesus

- Am I blocked?
 - Yes
- What did I do yesterday?
 - Got Potential method Signatures approved from Professor Vong
- What am I doing today?
 - Am currently blocked, as I am awaiting examples for Logging Library implementation from Vong tomorrow

Jason

- Am I blocked?
 - No

- What did I do yesterday?
 - Creation of High Level Draft
- What am I doing today?
 - Research into Project Planning and creating Sprint schedule

Gio

- Am I blocked? No
- What did I do yesterday? Researched where to do the timeline found Draw.io can use Mermaid
- What am I doing today? Added more risks and mitigations to project planning

Vi

- Am I blocked? No
- What did I do yesterday? Layer Diagram
- What am I doing today? High Level design document

Rainier

- Am I blocked?
 - Yes for coding the logging library, but no for everything else
- What did I do yesterday?
 - Planned some implementation for logging and data access library, but not much. Had to complete other work outside the scope of the project
- What am I doing today?
 - Today is my day off

11/8

Jason

- Am I blocked?
 - No
- What did I do yesterday?
 - Project planning research
- What am I doing today?
 - Meeting with group members for High Level Design review

Gio

- Am I blocked? No
- What did I do yesterday? Address to risks and mitigations to project planning
- What am I doing today? I will create the first draft for the timeline of scrum meetings

Vi

- Am I blocked? No
- What did I do yesterday? High-Level design document
- What am I doing today? High-Level design document

Rainier

- Am I blocked?
 - Yes for coding the logging library, but no for everything else
- What did I do yesterday?

- Yesterday was my day off
- What am I doing today?
 - Doing work for another class, but will also see how the lecture will unblock us with the logging library
