## Sprint 4 Daily Standup 11/24 - 11/29

11/27

Jason

|                          |   |
|--------------------------|---|
| Am I blocked?            | No  |
| What did I do yesterday? | Reviewed Team Review 2. Researched User Management Library.                   |
| What am I doing today?   | Start drafting some Low Level Design for User Management Library User stories |

Gio

|                          |                              |
|--------------------------|------------------------------|
| Am I blocked?            | No                           |
| What did I do yesterday? | Studied for team review      |
| What am I doing today?   | Researching Network Diagrams |

Vi

|                          |                               |
|--------------------------|-------------------------------|
| Am I blocked?            | No                            |
| What did I do yesterday? | Research for security library |
| What am I doing today?   | Study for team review         |

Jesus

|                          |  |
|--------------------------|--|
| Am I blocked?            | No                                       |
| What did I do yesterday? | Nothing, was blocked                     |
| What am I doing today?   | Doing quick research on hashing function |

Rainier

|                          |                          |
|--------------------------|--------------------------|
| Am I blocked?            | No                       |
| What did I do yesterday? | Scheduled day off        |
| What am I doing today?   | Studying for team review |

11/28

Jason

|                          |   |
|--------------------------|---|
| Am I blocked?            | Yes. Have questions concerning the Low Level Design documents                   |
| What did I do yesterday? | Began brainstorming for drafts on Low Level Designs for User Management Library |
| What am I doing today?   | Questions about User Management Library drafts to Frank.                        |

Gio

|                          |   |
|--------------------------|---|
| Am I blocked?            | No  |
| What did I do yesterday? | Researching Network Diagrams                                      |
| What am I doing today?   | Vong will go over Network Diagrams on Wednesday continue research |

Vi

|                          |                           |
|--------------------------|---------------------------|
| Am I blocked?            | No                        |
| What did I do yesterday? | Team Review               |
| What am I doing today?   | Security library research |

Jesus

|                          |  |
|--------------------------|--|
| Am I blocked?            | No   |
| What did I do yesterday? | Researching potential implementations for the Security Library                           |
| What am I doing today?   | Looking for existing ASP.NET Core implementations for Security and authentication online |

Rainier

|                          |                                 |
|--------------------------|---------------------------------|
| Am I blocked?            | No                              |
| What did I do yesterday? | Studied for team review         |
| What am I doing today?   | Schedule day off, class all day |

## Sprint 4 Daily Standup 11/24 - 11/29

11/29

Jason

|                          |   |
|--------------------------|---|
| Am I blocked?            | No  |
| What did I do yesterday? | Got questions concerning Low Level design answered by frank |
| What am I doing today?   | Continue drafting and researching for Low Level Design      |

Gio

|                          |   |
|--------------------------|---|
| Am I blocked?            | No  |
| What did I do yesterday? | Researched Network Diagrams   |
| What am I doing today?   | Will use today's class session to find out how to create Network Diagrams the way Vong wants them |

Vi

|                          |  |
|--------------------------|--|
| Am I blocked?            | No   |
| What did I do yesterday? | Team Review  |
| What am I doing today?   | Looking into documentation for PBKDF2 and RAS for .NET |

Jesus

|                          |   |
|--------------------------|---|
| Am I blocked?            | No  |
| What did I do yesterday? | Found prior implementations   |
| What am I doing today?   | Creating a preliminary table for a potential implementation of the Security Library |

Rainier

|                          |   |
|--------------------------|---|
| Am I blocked?            | No                                      |
| What did I do yesterday? | Scheduled day off                       |
| What am I doing today?   | Researching the User Management portion |
