4/16

Jason

Am I blocked?	No
What did I do yesterday?	Working on CHR features for code review.
What am I doing today?	Class day. Collect sprint documents. Going to Vong for design questions.

Gio

Am I blocked?	No
What did I do yesterday?	Sprint planning
What am I doing today?	Looking at my peer review for DYC and seeing if need to add anything to my current design

Vi

Am I blocked?	No
What did I do yesterday?	Sprint Planning
What am I doing today?	Making unit test cases for CNC1/2

Jesus

Am I blocked?	No
What did I do yesterday?	Sprint planning
What am I doing today?	Reviewing requirements for the implementation of SYC

Rainier

Am I blocked?	No
What did I do yesterday?	Modified tests for VP-1 and VP-2
What am I doing today?	Scheduled day off due to dental appointment

4/17

Jason

Am I blocked?	No
What did I do yesterday?	Class day. Collect sprint documents. Going to Vong for design questions.
What am I doing today?	Working on creating Service Log Classes. Move to unit test development.

Gio

Am I blocked?	No
What did I do yesterday?	Went over my peer review and had to add one more thing into the database which would be the link to the donation page.
What am I doing today?	Creating the Charity table in Vertabelo and also getting the Sql to insert the table into my local database. Since there will only be 4 charities I can insert them into the database since I know they won't be changed

Vi

Am I blocked?	No
What did I do yesterday?	Making unit test cases for CNC1/2
What am I doing today?	Researching into front end and how I should implement it

Jesus

Am I blocked?	No
What did I do yesterday?	Looked over requirements for SYC design once more
What am I doing today?	Will be beginning Design of SYC

Rainier

Am I blocked?	No
What did I do yesterday?	Scheduled day off due to dental appointment
What am I doing today?	Finishing up test cases for VP-1, VP-2, and VP-3.

4/18

Jason

Am I blocked?	No
What did I do yesterday?	Developed Service Log Classes.
What am I doing today?	Adding an extra DB table for Service Log Categories. Continue working on unit tests.

Gio

Am I blocked?	No
What did I do yesterday?	Created sql and inserted the charities into the database .
What am I doing today?	Creating the folder to contain my tests and at least creating a test that checks if I am able to successfully retrieve the Charity table from the database

Vi

Am I blocked?	No
What did I do yesterday?	Researching into front end and how I should implement it
What am I doing today?	Making Manager layer for CNC

Jesus

Am I blocked?	No
What did I do yesterday?	Design SYC, <= Service layer across all user stories
What am I doing today?	Shifting focus to Gio's CE, as this is a higher priority

Rainier

Am I blocked?	No
What did I do yesterday?	Unexpected day of no work due to family emergency
What am I doing today?	Making tests for VP-1 and VP-2.

4/19

Jason

Am I blocked?	No
What did I do yesterday?	Continue work on unit tests
What am I doing today?	Rest day.

Gio

Am I blocked?	No
What did I do yesterday?	Created a test to retrieve the charity table from the database
What am I doing today?	Creating the Charity model from Donate Your Car

Vi

Am I blocked?	No
What did I do yesterday?	Making Manager layer for CNC
What am I doing today?	Fixing my DB structures, working on making connection to API for CNC1

Jesus

Am I blocked?	No
What did I do yesterday?	Created General feedback section, and feedback for CE-1 Success and Failure Diagrams
What am I doing today?	Finishing Peer review

Rainier

Am I blocked?	No
What did I do yesterday?	Made some tests for VP-1 and VP-2
What am I doing today?	Finishing up the Manager layer for VP-1 and VP-2, remodeling tests for VP-1 and VP-2.

4/20

Jason

Am I blocked?	Yes.. UA - 1 and UA - 3
What did I do yesterday?	Working on unit tests for SL
What am I doing today?	Work on UA - 2 and UA - 3. Want to check design with the client first.

Gio

Am I blocked?	No
What did I do yesterday?	Created the CharityModel and ICharityModel for DonateYourCar feature
What am I doing today?	Need to start working on the manager layer of DYC

Vi

Am I blocked?	No
What did I do yesterday?	Fixing my DB structures, working on making connection to API for CNC1
What am I doing today?	Connection was made but trying to fix extracting value from API response problem since we cannot use outside service like Newtonsoft.DeserializeObject, I need to use the .NET built in and the 2 functions behaves differently

Jesus

Am I blocked?	No
What did I do yesterday?	Finished CE-2 and CE-3 Peer review feedback
What am I doing today?	Moving back to Designing SYC

Rainier

Am I blocked?	No
What did I do yesterday?	Finished Manager layer for VP-1 and VP-2, Tests for VP-1, and created more tests for VP-4 and VP-5.
What am I doing today?	Finishing Peer Review for Car News Center

4/21

Jason

Am I blocked?	Yes UA - 2 and UA - 3
What did I do yesterday?	Work on UA - 2 and UA - 3. Want to check the design with the client first.
What am I doing today?	Work on UA - 2 and UA - 3. Want to check the design with the client first. Improve on design.

Gio

Am I blocked?	No
What did I do yesterday?	Tried creating the class library for DYC and tried to make the manager class but wasn't able to reference the logging class
What am I doing today?	Try to find out why my manager class isn't able to reference the other services

Vi

Am I blocked?	No
What did I do yesterday?	Connection was made but trying to fix extracting value from API response problem since we cannot use outside service like Newtonsoft.DeserializeObject, I need to use the .NET built in and the 2 functions behaves differently
What am I doing today?	I couldn't do anything since I was busy with my 2 other classes

Jesus

Am I blocked?	No
What did I do yesterday?	Worked on design for SYC-1 <= Service Layer
What am I doing today?	Scheduled day off

Rainier

Am I blocked?	No
What did I do yesterday?	Finished Peer Review for Car News Center
What am I doing today?	Finishing up Test Cases for VP-3

4/22

Jason

Am I blocked?	Yes
What did I do yesterday?	Work on UA - 2 and UA - 3. Want to check the design with the client first.
What am I doing today?	Class day. Team Review 5. Upload any sprint documents needed. Ask the client about design.

Gio

Am I blocked?	No
What did I do yesterday?	Troubleshooting issues with my manager class and seeing why it can't find the logging service
What am I doing today?	Meeting with teammates and also trying to see if they can help me with the manager class

Vi

Am I blocked?	No
What did I do yesterday?	Nothing
What am I doing today?	Finishing up extracting value from API and start with front end

Jesus

Am I blocked?	No
What did I do yesterday?	Ended up working a bit on SYC-2
What am I doing today?	Team meeting to prepare for Team review

Rainier

Am I blocked?	No
What did I do yesterday?	Finished Test Cases for VP-3
What am I doing today?	Going to finish manager layer for VP-3 and working on entry point for VP-1, VP-2, and VP-3
